These Terms and Conditions of Sale (these "Terms") apply to the purchase of Standard Products and/or Custom Products (each as defined below) from Cooledge Lighting Inc. or any of its subsidiaries or affiliated corporations, including Cooledge, Inc., as specified in the applicable Quotation (as defined below) (collectively, "Cooledge"). All Quotations, Purchase Orders, bills of lading and invoices for the Products or any delivery of the Products, including any services related thereto, shall incorporate and be subject to these Terms and together shall constitute the entire agreement between the buyer of the Products identified on the Quotation ("Buyer") and Cooledge (collectively, the "Agreement"). No other terms or conditions, including without limitation Buyer's standard purchase order terms and conditions, will have any application to this Agreement or any transactions occurring pursuant hereto, unless specifically accepted in writing by Cooledge.

2) QUOTATIONS

Quotations are to be treated as invitations and not offers to sell. Each Quotation is open for acceptance within the period stated within the Quotation or, when no period is stated, within one hundred eighty (180) days from the date of the Quotation, but any Quotation may be withdrawn or revoked by Cooledge at any time prior to the receipt by Cooledge of Buyer's acceptance thereof. Cooledge will determine the minimum order value applicable from time to time. The price offered in a Quotation is based on the quoted quantities and product specifics only and upon the quantities referred to in the Quotation. A surcharge may be applied for orders of less than the minimum order value.

Cooledge reserves the right to amend offer pricing where a material change in manufacturing costs or exchange rates becomes apparent. Cooledge reserves the right to amend the prices in line with the price list.

3) PURCHASE ORDERS AND CONFIRMATIONS

Purchase Orders submitted by Buyer will not be binding until accepted by Cooledge by issuance of an order confirmation, at which time the Purchase Order shall become binding and non-cancellable. All information in an order confirmation is deemed correct unless Buyer notifies Cooledge of an error within one (1) business day following the issuance of the order confirmation.

4) INVOICES, CURRENCY AND TAXES

Cooledge will invoice Buyer as stated in the applicable order confirmation. If deliveries are made in installments, each installment may be separately invoiced and shall be paid for when due. Buyer must notify Cooledge of any invoice disputes, in writing, within twenty-one (21) business days following the invoice date. Unless otherwise agreed to in writing by Cooledge, prices in any Quotation, Purchase Order or order confirmation are in the currency of the United States of America (USD). The prices in any Quotation, Purchase Order or order confirmation are exclusive of Taxes, all of which will be paid by Buyer. Concurrently with payments to Cooledge hereunder, Buyer will remit to Cooledge all Taxes due in respect of the amounts payable by Buyer hereunder. If any Taxes are required to be withheld, then Buyer will pay Cooledge an amount such that the net amount received by Cooledge after withholding of such taxes will equal the amount that would have been otherwise payable.

5) PAYMENT

a) Unless otherwise agreed to in writing by Cooledge, terms of payment for orders will be net thirty (30) days from the date of invoice. The terms of payment are subject to review of Buyer's credit by Cooledge. All payments shall be made to the designated Cooledge address as stated on the invoice. No discount is allowed for early payment unless agreed to in writing by Cooledge. Notwithstanding the foregoing, at the time of placing a Purchase Order for any Custom Products, Buyer shall make a non-refundable payment to Cooledge for an amount not less than fifty percent (50%) of the aggregate payment due under such Purchase Order. For the sake of clarity (i) the fifty percent (50%) payment due at the time of the Purchase Order for Custom Products shall be applied against the invoice of the Custom Products delivered, and (ii) the balance of the invoice is due upon delivery of the Custom Products, unless agreed otherwise between Cooledge and Buyer in writing. Unless otherwise expressly set forth in this Agreement or agreed to in writing by Cooledge, all payments and deposits are non-refundable.

b) In addition to any other rights and remedies Cooledge may have under applicable law, interest will accrue on all late payments at the rate of eighteen percent (18%) per annum or the applicable statutory rate, whichever is higher and to the extent permitted by applicable law, from the due date until payment in full.

c) All deliveries of Products agreed to by Cooledge shall at all times be subject to credit approval of Cooledge. If, in Cooledge's judgement, Buyer's financial condition at any time does not justify production or delivery of Products on the above payment terms, Cooledge may require full or partial payment in advance or other payment terms as a condition to delivery, and Cooledge may suspend, delay or cancel any credit, delivery or any other performance by Cooledge.

d) In the event of any default by Buyer in the payment of any fees or charges due, or any other default by Buyer, Cooledge, shall, in addition to any other remedies available under the Agreement or at law, have the right to refuse performance and/or delivery of any Products until payments are brought

current and Cooledge may suspend, delay or cancel any credit, delivery or any other performance by Cooledge.

e) Payment method will be agreed upon before order confirmation. In case of payment by check, a US\$50 returned check fee will be assessed for any check returned for any reason. Accounts that are in arrears due to a returned check may be suspended until the balance is paid in full, including returned check and reactivation fees.

6) DELIVERY AND QUANTITIES

a) Unless otherwise set forth on the order confirmation, all shipments of Products are Ex Works (Incoterms 2020) from the applicable Cooledge distribution or manufacturing facility, at which point the Products shall be deemed delivered. At Buyer's request, Cooledge may coordinate shipping on behalf of Buyer under the following conditions. Orders with a net value of less than \$15,000 to destinations in North America will be charged a shipping and handling fee and shipped via routing of Cooledge's choice. Orders with a net value greater than \$15,000 will be shipped freight prepaid to destinations within North America via routing of Cooledge's choice, subject to a freight surcharge included within the invoiced price of the Products, which therefore may be higher than as noted on price lists. Orders shipped outside North America where the Buyer does not wish to arrange their own pickup and transportation, will include shipping and handling fees as determined by Cooledge and shipped via routing of Cooledge's choice. Delivery dates communicated or acknowledged by Cooledge are approximate only, and Cooledge shall not be liable for, nor shall Cooledge be in breach of its obligations to Buyer, for any delivery made within a reasonable time before or after the communicated delivery date. Cooledge agrees to use commercially reasonable efforts to meet the delivery dates communicated or acknowledged by it on the condition that provides all necessary order and delivery information sufficiently prior to such delivery date.

b) Buyer will give Cooledge written notice of failure to deliver and thirty (30) days within which to cure. If Cooledge does not deliver within such thirty (30) day period, Buyer's sole and exclusive remedy is to cancel the affected and undelivered portions of the Agreement.

c) Buyer must give Cooledge written notice of any damage that occurred during shipping, or any missing items from order, within 3 days of delivery for appropriate replacement or credit.

d) Title in the Products and risk of loss in the Products shall pass to Buyer upon delivery to the first carrier at the Cooledge distribution or manufacturing facility. As collateral security for the payment of the purchase price of the Products, Buyer hereby grants to Cooledge a lien on and security interest in and to all of the right, title and interest of Buyer in, to and under the Products, wherever located, and whether now existing or hereafter arising or acquired from time to time, and in all accessions thereto and replacements or modifications thereof, as well as all proceeds (including insurance proceeds) of the foregoing.

e) If Buyer fails to take delivery of Products ordered, then Cooledge may deliver the Products in consignment at Buyer's cost.

f) In the event Cooledge production is curtailed for any reason, Cooledge shall have the right to allocate its available production and Products, in its sole discretion, among its various customers and as a result may sell and deliver to Buyer fewer Products than specified in the Agreement, as the case may be.

g) For Products that require installation by Cooledge's certified installers, Cooledge requires a minimum of four (4) weeks' notice for scheduling onsite work. Buyer must provide no less than forty-eight (48) hours prior written notice in order to cancel any such onsite work. If less than forty-eight (48) hours' notice is provided, Buyer will be invoiced and held liable for all costs

associated with rescheduling, second trips, and/or cancellation. Installation services are deemed delivered upon completion.

7) FORCE MAJEURE

If by reason of any fact, circumstance, matter or thing beyond the reasonable control of Cooledge, Cooledge is unable to perform in whole or in part any obligation under this Agreement, Cooledge shall be relieved of that obligation under this Agreement to the extent and for the period that it is so unable to perform and shall not be liable to Buyer or any other third parties in respect of such inability.

8) INFORMATION AND DRAWINGS

All descriptive specifications, illustrations, drawings, data, dimensions and weights furnished by Cooledge or otherwise contained in catalogues, price lists and other advertising matter of Cooledge are approximate only and are intended to be by way of a general description of the goods and shall not form part of the contract. 10) INFRINGEMENT

10.1 Intellectual Property Infringement. Subject to Sections 10.2 and 10.3, Cooledge will defend, at its own expense, any action against Buyer brought by a third party to the extent that the action is based upon a claim that the Products infringes such third party's U.S. or Canadian patents or copyrights or misappropriates such party's trade secrets (an "Infringement Claim") and Cooledge will pay those losses in respect of the Infringement Claim that are specifically attributable to the Infringement Claim or those costs and damages agreed to in a monetary settlement of such action; provided Buyer (i) notifies Cooledge of the Infringement Claim promptly in writing after receiving notice of such claim, (ii) tenders to Cooledge sole control over the defense and settlement of the Infringement Claim and any negotiation for its settlement or compromise,

If Cooledge determines that neither (i) nor (ii) is commercially practicable, Cooledge may elect to terminate Buyer's right to use the infringing Products and refund the portion of the purchase price paid by Buyer for the infringing Products representing the remaining useful life of such Products, as reasonably determined by Cooledge.

10.3 Exclusions.
